Information about our use of cookies

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

Strictly necessary cookies

These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.

Analytical/performance cookies

They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

Functionality cookies

These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

Targeting cookies

These cookies record your visit to our website, the pages you have visited and the links you have followed. We may use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in the list below:

__ga A Google Analytics cookie used to distinguish users and sessions.

__gat A Google Analytics cookie used to determine new sessions / visits.

__gid A Google Analytics cookie used in conjunction with the **__utmb** cookie to determine whether the user was in a new session/visit.

cookie_notice_accepted Cookie to store your acceptance of cookies

wfvt_ Contains information about your general geographic location. These are known as session cookies and are deleted when you leave the site.

wordfence_verifiedHuman This cookie is used by Wordfence to verify you as a human user, for added security.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies. You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site. Our Cookie Policy should be read in conjunction with our Privacy Policy and website terms and conditions, which also appear on our website.
